Launch new Restaurant on September 11, 2011.

Glen Burnie, Maryland- September 5, 2011- Mission BBQ, is located at 7748 Ritchie Highway, and will have its unofficial launch on September 11, 2011. Our kick off week will include fundraisers for Anne Arundel County Fire and Police Departments along with an evening benefiting the Wounded Warriors Project. 100% of the proceeds will be donated to these great organizations. Our first day open to the public will be on September 19, 2011. “After 9/11 things changed for this Country. We feel it is our duty as Americans to **Serve**, said Bill Kraus, Owner of Mission BBQ.” Bill’s son, Andrew is currently serving in the United States Marine Corps. Beginning this month, Mission BBQ will unveil its mouth watering menu and décor that honors our American Heroes.

Steve Newton, Owner of Mission BBQ believes it is our Mission to give friends and neighbors a place they can feel good about while sitting down to a great meal prepared the American Way. We also believe in giving back to our Community, so some of the proceeds from your lunch or dinner could be helping out the same people sitting next to you: You’re local Firefighters, Police Officers or a member of our Military that have answered the call to defend freedom. Charities that make a difference, for those in need, right here at home.

When it comes to food, America only has true ownership of one thing: BBQ. That’s an Awesome responsibility and it’s one we take very seriously. Try one of our 6 homemade BBQ sauces. Enjoy whatever one works for you. It’s YOUR place and YOU’RE always Welcome!
