- Every day at noon, we stop everything for the singing of Our National Anthem.
- At MISSION BBQ, we don't think there's anything more American than BBQ cuisine...and nothing more American than those men and women who raise their right hand and swear to protect, serve and save Our Community & Our Country.
- The world changed on 9/11. We will NEVER FORGET.
- At MISSION BBQ, Our Mission is to SERVE. We are committed to support and honor those heroes, by giving back to local Fire, Police & First Responder charities. As well as National Military Charities like the Special Operation Warrior Project.
- We now have 81 locations (84 locations as of 08/26) in 16 different states.
